**Editor-in-Chief:** Sergio Bernasconi (Italy)

***Italian Journal of Pediatrics*, the official journal of the Italian Society for Pediatrics, is an open access, peer-reviewed online journal that includes all aspects of pediatric medicine.**

*Italian Journal of Pediatrics* provides a high-quality forum for pediatricians and other healthcare professionals to report and discuss up-to-the-minute research and expert reviews in the field of pediatric medicine. The journal will continue to develop the range of articles published to enable this invaluable resource to stay at the forefront of the field.

The journal considers the following article types: research articles, reviews, debate articles, commentaries, case reports and letters to the Editors. For further details, see [www.ijponline.net/info/about/](http://www.ijponline.net/info/about/).

### **Reasons for publishing in *Italian Journal of Pediatrics*:**

- All articles published in the journal are open access; universally accessible online without charge.
